## Subject Index

**Advance directives**
moral, ethical, and legal issues in the intensive care unit (Paris and Reardon) 1991;6:175 (Analytic review)
**Alfentanil**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)
**Anaphylaxis**
anaphylaxis (Hollingsworth et al) 1991;6:55 (Analytic review)
**Anesthesia**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)
anesthesia for cardiac surgery in newborns with congenital heart disease (Kern and Hickey) 1991;6:153 (Analytic review)
**Anoxia**
current concepts in the pathophysiology and management of near-drowning (Smyrnios and Irwin) 1991;6:26 (Analytic review)
**Antibiotics**
acute therapy of bacterial meningitis (Tunkel and Scheld) 1991;6:229 (Analytic review)
**Arthritis**
musculoskeletal manifestations of human immunodeficiency virus infection (Silveira et al) 1991;6:106 (Analytic review)

**Bacterial meningitis**. *See* **Meningitis**
**Bleeding, gastrointestinal**. *See* **Gastrointestinal hemorrhage**
**Blood coagulation disorders**
incidence of clinically important bleeding in mechanically ventilated patients (Cook et al) 1991;6:167 (Analytic review)
**Book reviews**
*Cardiopulmonary Critical Care,* by Danzker (Brandstetter) 1991;6:268
*Critical Care Clinics—Mechanical Ventilation,* edited by Tobin (Epifano) 1991;6:206
*Critical Care Practice,* by Hoyt et al (Brandstetter) 1991;6:268
*Drugs for the Heart, ed 3,* edited by Opie (Gitler) 1991;6:206
literature of critical care medicine: a modest proposal (Brandstetter) 1991;6:308 (Special article)
*Problems in Respiratory Care—The Respiratory Muscles,* edited to Tobin (Brandstetter) 1991;6:207
**Brain death**
moral, ethical, and legal issues in the intensive care unit (Paris and Reardon) 1991;6:175 (Analytic review)
transcranial Doppler sonographic monitoring in the

intensive care unit (Babikian et al) 1991;6:36 (Techniques and procedures)
**Bronchoalveolar lavage**
diagnosing nosocomial pneumonia: to brush or not to brush (Niederman) 1991;6:151 (Editorial)
evaluation of the protected brush catheter and bronchoalveolar lavage in the diagnosis of nosocomial pneumonia (Cook et al) 1991;6:196 (Review of large clinical series)
**Bronchoscopy**
diagnosing nosocomial pneumonia: to brush or not to brush (Niederman) 1991;6:151 (Editorial)
evaluation of the protected brush catheter and bronchoalveolar lavage in the diagnosis of nosocomial pneumonia (Cook et al) 1991;6:196 (Review of large clinical series)
**Brush, bronchoscopically directed**. *See* **Bronchoscopy**

**Candidiasis**
critically ill patient with cholestatic jaundice and altered mental status (Labarre and Smyrnios) 1991;6:143 (Clinicopathological conference)
**Cardiac surgery**. *See* **Heart surgery**
**Cardiac transplantation**. *See* **Heart transplantation**
**Cardiogenic shock**. *See* **Shock, cardiogenic**
**Cardiopulmonary resuscitation**. *See* **Resuscitation**
**Cerebrovascular disorders**
transcranial Doppler sonographic monitoring in the intensive care unit (Babikian et al) 1991;6:36 (Techniques and procedures)
**Cholestasis**
critically ill patient with cholestatic jaundice and altered mental status (Labarre and Smyrnios) 1991;6:143 (Clinicopathological conference)
**Coagulopathy**. *See* **Blood coagulation disorders**
**Congenital heart disease**. *See* **Heart defects, congenital**
**Coronary disease**
role of Doppler echocardiography in coronary artery disease (Kaul) 1991;6:238 (Analytic review)
**CPR**. *See* **Resuscitation**
**Cross infection**
diagnosing nosocomial pneumonia: to brush or not to brush (Niederman) 1991;6:151 (Editorial)
evaluation of the protected brush catheter and bronchoalveolar lavage in the diagnosis of nosocomial pneumonia (Cook et al) 1991;6:196 (Review of large clinical series)

**Depression**
management of monoamine oxidase inhibitor–treated patients in the emergency and critical care setting (Lipson and Stern) 1991;6:117 (Analytic review)
monoamine oxidase inhibitors: old drugs with new uses (Peterson) 1991;6:105 (Editorial)
**Diazepam**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)
**Disseminated intravascular coagulation**
disseminated intravascular coagulation: pathogenesis and management (Schmaier) 1991;6:209 (Analytic review)
**Do-not-resuscitate orders**. *See* **Resuscitation orders**
**Doppler echocardiography**. *See* **Echocardiography, Doppler**
**Doppler sonography**. *See* **Ultrasonography**
**Drug interactions**
management of monoamine oxidase inhibitor–treated patients in the emergency and critical care setting (Lipson and Stern) 1991;6:117 (Analytic review)
monoamine oxidase inhibitors: old drugs with new uses (Peterson) 1991;6:105 (Editorial)

**Echocardiography, Doppler**
role of Doppler echocardiography in coronary artery disease (Kaul) 1991;6:238 (Analytic review)
**Emergency medical services**
management of monoamine oxidase inhibitor–treated patients in the emergency and critical care setting (Lipson and Stern) 1991;6:117 (Analytic review)
monoamine oxidase inhibitors: old drugs with new uses (Peterson) 1991;6:105 (Editorial)
**Ethics**
moral, ethical, and legal issues in the intensive care unit (Paris and Reardon) 1991;6:175 (Analytic review)
**Etomidate**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Fentanyl**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)
**Fibrinolysin**
disseminated intravascular coagulation: pathogenesis and management (Schmaier) 1991;6:209 (Analytic review)

**Gastritis**
management of stress gastritis (Durham and Shapiro) 1991;6:257 (Analytic review)
**Gastrointestinal hemorrhage**
incidence of clinically important bleeding in mechanically ventilated patients (Cook et al) 1991;6:167 (Analytic review)
management of stress gastritis (Durham and Shapiro) 1991;6:257 (Analytic review)
**Graft rejection**
cardiac transplantation: a review of the intensivists (Perlroth) 1991;6:47 (Analytic review)
cardiac transplantation: problems and opportunities (Mills) 1991;6:96 (Editorial)

**Heart catheterization**
evaluation of right-heart catheterization: where do we go from here? (Voyce et al) 1991;6:98 (Editorial)
randomized control trial of right-heart catheterization in critically ill patients (Guyatt and Ontario) 1991;6:91 (Analytic review)
right-heart catheterization is a diagnostic procedure

not a therapeutic intervention (Chatterjee and Matthay) 1991;6:101 (Editorial)

**Heart defects, congenital**
anesthesia for cardiac surgery in newborns with congenital heart disease (Kern and Hickey) 1991;6:153 (Analytic review)

**Heart surgery**
anesthesia for cardiac surgery in newborns with congenital heart disease (Kern and Hickey) 1991;6:153 (Analytic review)
phrenic nerve injury: a common but rarely significant complication (Wheeler) 1991;6:276 (Editorial)
phrenic nerve injury following cardiac surgery, with emphasis on the role of topical hypothermia (DeLisser and Grippi) 1991;6:295 (Analytic review)

**Heart transplantation**
cardiac transplantation: a review of the intensivists (Perlroth) 1991;6:47 (Analytic review)
cardiac transplantation: problems and opportunities (Mills) 1991;6:96 (Editorial)
psychosocial effects of cardiac transplantation (Dressler) 1991;6:126 (Analytic review)

**HIV infections**
musculoskeletal manifestations of human immunodeficiency virus infection (Silveira et al) 1991;6:106 (Analytic review)

**Hypersensitivity, immediate**
anaphylaxis (Hollingsworth et al) 1991;6:55 (Analytic review)

**Hypothermia**
current concepts in the pathophysiology and management of near-drowning (Smyrnios and Irwin) 1991;6:26 (Analytic review)

**Hypothermia, induced**
phrenic nerve injury: a common but rarely significant complication (Wheeler) 1991;6:276 (Editorial)
phrenic nerve injury following cardiac surgery, with emphasis on the role of topical hypothermia (DeLisser and Grippi) 1991;6:295 (Analytic review)

**Immediate hypersensitivity**. *See* **Hypersensitivity, immediate**

**Immune system**
immunosuppression in trauma patients (Hoyt and Ozkan) 1991;6:71 (Analytic review)

**Immunosuppression**
cardiac transplantation: a review of the intensivists (Perlroth) 1991;6:47 (Analytic review)
cardiac transplantation: problems and opportunities (Mills) 1991;6:96 (Editorial)
immunosuppression in trauma patients (Hoyt and Ozkan) 1991;6:71 (Analytic review)

**Infant, newborn**
anesthesia for cardiac surgery in newborns with congenital heart disease (Kern and Hickey) 1991;6:153 (Analytic review)

**Infection**
internist's view—multiple organ system failure: the intensivist as a bewildered new biologist (Rinaldo) 1991;6:273 (Editorial)
look into the future of multiple-system organ failure (Demling) 1991;6:271 (Editorial)
multiple organ failure syndrome—part I: epidemiology, prognosis, and pathophysiology (Heard and Fink) 1991;6:279 (Analytic review)
reduced mortality of pneumococcal bacteremia after early intensive care (Franklin et al) 1991;6:302 (Review of large clinical series)

**Ischemia**
role of Doppler echocardiography in coronary artery disease (Kaul) 1991;6:238 (Analytic review)

**Ischemic cerebrovascular disease**. *See* **Cerebrovascular disorders**

**Jaundice, cholestatic**. *See* **Cholestasis**

**Jurisprudence**
moral, ethical, and legal issues in the intensive care unit (Paris and Reardon) 1991;6:175 (Analytic review)

**Ketamine**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Left ventricular function**. *See* **Ventricular function, left**

**Legal issues**. *See* **Jurisprudence**

**Literature**
literature of critical care medicine: a modest proposal (Brandstetter) 1991;6:308 (Special article)

**Lorazepam**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Lung transplantation**
critical care management of lung transplant recipients (Bierman et al) 1991;6:135 (Analytic review)

**Mechanical ventilation**. *See* **Respiration, artificial**

**Meningitis**
acute therapy of bacterial meningitis (Tunkel and Scheld) 1991;6:229 (Analytic review)

**Methohexital**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Midazolam**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Monitoring, physiologic**
evaluation of right-heart catheterization: where do we go from here? (Voyce et al) 1991;6:98 (Editorial)
randomized control trial of right-heart catheterization in critically ill patients (Guyatt and Ontario) 1991;6:91 (Analytic review)
right-heart catheterization is a diagnostic procedure not a therapeutic intervention (Chatterjee and Matthay) 1991;6:101 (Editorial)

**Monoamine oxidase inhibitors**
management of monoamine oxidase inhibitor–treated patients in the emergency and critical care setting (Lipson and Stern) 1991;6:117 (Analytic review)

monoamine oxidase inhibitors: old drugs with new uses (Peterson) 1991;6:105 (Editorial)

**Morals**
moral, ethical, and legal issues in the intensive care unit (Paris and Reardon) 1991;6:175 (Analytic review)

**Multiple organ failure**
internist's view—multiple organ system failure: the intensivist as a bewildered new biologist (Rinaldo) 1991;6:273 (Editorial)
look into the future of multiple-system organ failure (Demling) 1991;6:271 (Editorial)
multiple organ failure syndrome—part I: epidemiology, prognosis, and pathophysiology (Heard and Fink) 1991;6:279 (Analytic review)

**Musculoskeletal system**
musculoskeletal manifestations of human immunodeficiency virus infection (Silveira et al) 1991;6:106 (Analytic review)

**Myocardial infarction**
syndromes of acute left ventricular failure (McDonald and Francis) 1991;6:1 (Analytic review)

**Near-drowning**
current concepts in the pathophysiology and management of near-drowning (Smyrnios and Irwin) 1991;6:26 (Analytic review)

**Newborn**. *See* **Infant, newborn**

**Nosocomial infection**. *See* **Cross infection**

**Phrenic nerve**
phrenic nerve injury: a common but rarely significant complication (Wheeler) 1991;6:276 (Editorial)
phrenic nerve injury following cardiac surgery, with emphasis on the role of topical hypothermia (DeLisser and Grippi) 1991;6:295 (Analytic review)

**Plasmin**. *See* **Fibrinolysin**

**Pneumococcal infections**
reduced mortality of pneumococcal bacteremia after early intensive care (Franklin et al) 1991;6:302 (Review of large clinical series)

**Pneumonia**
diagnosing nosocomial pneumonia: to brush or not to brush (Niederman) 1991;6:151 (Editorial)
evaluation of the protected brush catheter and bronchoalveolar lavage in the diagnosis of nosocomial pneumonia (Cook et al) 1991;6:196 (Review of large clinical series)

**Propofol**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Psychology**
psychosocial effects of cardiac transplantation (Dressler) 1991;6:126 (Analytic review)

**Psychosocial support**. *See* **Social support**

**Quality of life**
psychosocial effects of cardiac transplantation (Dressler) 1991;6:126 (Analytic review)

**Respiration, artificial**
incidence of clinically important bleeding in mechanically ventilated patients (Cook et al) 1991;6:167 (Analytic review)

**Respiration disorders**
critical care management of lung transplant recipients (Bierman et al) 1991;6:135 (Analytic review)

**Resuscitation**
current concepts in the pathophysiology and management of near-drowning (Smyrnios and Irwin) 1991;6:26 (Analytic review)

**Resuscitation orders**
moral, ethical, and legal issues in the intensive care unit (Paris and Reardon) 1991;6:175 (Analytic review)

**Right-heart catheterization**. *See* **Heart catheterization**

**Sepsis**. *See* **Infection**

**Shock, cardiogenic**
syndromes of acute left ventricular failure (McDonald and Francis) 1991;6:1 (Analytic review)

**Social support**
psychosocial effects of cardiac transplantation (Dressler) 1991;6:126 (Analytic review)

**Sodium pentothal**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Sonography**. *See* **Ultrasonography**

**Specimen brush, bronchoscopically directed**. *See* **Bronchoscopy**

**Stress**
management of stress gastritis (Durham and Shapiro) 1991;6:257 (Analytic review)

**Subarachnoid hemorrhage**
transcranial Doppler sonographic monitoring in the intensive care unit (Babikian et al) 1991;6:36 (Techniques and procedures)

**Sufentanil**
anesthesia for bedside procedures (Landow) 1991;6:12 (Analytic review)

**Thrombin**
disseminated intravascular coagulation: pathogenesis and management (Schmaier) 1991;6:209 (Analytic review)

**Topical hypothermia**. *See* **Hypothermia, induced**

**Transcranial Doppler sonography**. *See* **Ultrasonography**

**Trauma**. *See* **Wounds and injuries**

**Ultrasonography**
transcranial Doppler sonographic monitoring in the intensive care unit (Babikian et al) 1991;6:36 (Techniques and procedures)

**Ventricular function, left**
syndromes of acute left ventricular failure (McDonald and Francis) 1991;6:1 (Analytic review)

**Wounds and injuries**
immunosuppression in trauma patients (Hoyt and Ozkan) 1991;6:71 (Analytic review)
